Dear Prospective Sponsor:

The Nightline Dance Team at Northeast High School is seeking sponsorships for the 2019-2020 school year. We hope you will consider participating either as a business or individual.

The objectives of the dance team are to provide students an opportunity to represent their school and community in a positive and productive way, foster good fellowship, build school spirit and loyalty, and encourage good character and academic standards among its members. Donations from sponsors enable us to purchase costumes, supplies, hire choreographers, and fund the team-building and performance events required for The Nightline to maintain it's standards and reputation in our school and community.

We certainly appreciate any support you can give. It is community members such as you that enable the Nightline to meet their objectives.

Sponsorship levels and descriptions are on the back.

If you wish to sponsor a specific individual on the team, please wire the name of the dancer below. Otherwise, the donation will go to the Team Account to help with general operating costs.
